

ΦBK KEY NOTES

The PBKAAGA Newsletter

July 1, 2018

Editor's Notes: This year, Phi Beta Kappa Alumni Association of the Greater Austin Area continues to enhance programming for you, the members, both in variety of events and appeal of venues. We are also inaugurating an award to recognize excellence in high school teaching, the first winner to be presented at our November meeting. The development initiative begun last fall continues, to help fund these and other initiatives. All of this has grown out of the Board's review and reevaluation of our goals and objectives, which began last year. **Key Notes** is intended to highlight recent and upcoming events, as well as the Association's continued evolution. Additional event details are on the website.

2018 Scholarship Awards and Spring Meeting: Our spring meeting on May 6, 2018, was held at the unique home of Jane Sibley in Old Enfield. After socializing and hors d'oeuvres, meeting highlights were Ms. Sibley's account of how the house was created and decorated, member Libby Doggett's introduction of Congressman Lloyd Doggett and his discussion of the current situation in Washington, followed by the awarding of our four scholarships:

Philip F. Patman Memorial Baccalaureate Scholarship: **Ember Amara Bower**

Scholarships for Academic Excellence: **Vincent Myron Hao** and **Kevin A. Black**

Physicians' Scholarship for Academic Excellence: **Lillian Lin Su**
